

CHANGED LIVES

Volume 5, No. 4 News From the Koinonia Camp and Conference Center Winter 2018

Executive Director's Message

Colossians 2:6-7 NIV "So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.

Almost every year for the last 15 years, Lori and I have planted some type of garden. This last summer I built a raised garden out of old dilapidated picnic tables. The garden bed was about waist high and the soil depth was nearly 10 inches.

I have to admit I was rather proud of my repurposing endeavor. I also loved that watering my 8 foot by 2 foot by 10 inch deep garden was simple. Not to mention it was a breeze to weed. In fact, it was the first time in 15 years that weeds didn't overtake the vegetable plants.

We had tomato plants, sweet pepper plants and hot pepper plants. And because we have 16 horses, we had no lack of fertilizer. And since we had so much I decided (against Lori's advice) to fill the entire bed with old horse fertilizer.

The plants grew like crazy. I was so excited and just knew we were going to have a bumper crop. Then reality struck! The tomatoes and peppers started to sprout. The bigger the tomatoes grew, the more the plants leaned and leaned and leaned. And before long they were hanging over the edges about 3 feet off the ground.

You guessed it! The soil was not firm enough. Nor was the soil deep enough. My beautiful fast growing plants simply were not "rooted" properly. Hence the theme for 2018 ... "Rooted."

Our hope and prayer is that every camper who comes to camp will find the deep, rich and firm soil that is Jesus. That their lives, no matter how much they will have to carry, will be strengthened in their faith and overflow with thankfulness.

In order for us to offer scholarships for those in need, we need your help. We have our **Spur Cross / Koinonia BBQ on March 10** and our **4th annual Koinonia Duck Race on April 28th**. The proceeds of these events go to help us see Changed Lives and deeper roots in campers who would not otherwise be able to attend camp.
